

PROMISE FOR  
CONTINUOUS  
**POWER...**

## WHO ARE WE?

We are young group of engineers highly interested in Renewable Sources of Power Generation. As you Know the clean Electricity consumption is a big issue of the world. Lobel solar Power System was born out of compassion for green and clean environment and the zeal to find solutions for power crisis in the India for an overall development of rural community too.

The demand for energy is rising with the rapidly increasing Indian population. Moreover, most of the rural belts of India have inadequate, minimal or no electricity, which is a vital ingredient in the development of any community. We are focussing on solar energy, one of the best options in green solar renewable energy to provide.

## WORK STRATEGY

Lobel Solar Power System is pooled with resources of technical knowledge coupled with industrial expertise. The services are tailored to meet the unique needs of clients based on rich experience. We encourage teams to enhance the interaction with clients for better understanding of client requirements, time lines and work towards the goal without compromising quality standards. Every team is equipped with the project management and customer service skills supported with the dedicated acquaintance towards realizing the project.

We maintain good relationships and tie up with professionals from industry, governments along with the subject experts to bring in latest solutions which make real difference in addressing the issues.

## COMPANY PROFILE

We are leading professional services company in india. It is actively involved in providing the techno-commercial services in the energy sector. Working in close association with the clients, projects are realized from the concept to commissioning.

With continuous effort towards excellence and assisted but highly proficient team Lobel become pioneer in providing consultancy services in the areas of renewable energy, energy efficiency and clean development mechanism.

## OUR MILESTONES

### **2009** WE FOUNDED L'OBEL

We founded Lobel with the vision to provide the world-class renewable energy solutions, service, technology and contribute to the sustainability of our planet.

### **2011** INCORPORATION

We got incorporated with all Indian Government Authorities.

### **2013** CERTIFIED

We certified by International Organization for Standardization.

### **2014 - 2015** STARTED WORKING UNDER GEDA & MNRE

For the projects of Thermal Technology, PV Technology & Hybrid Technology to protect the environment & future lives.

### **2016** TOP ACHIEVEMENTS

Achieved more than 2500+ clients for Domestic Services & 100+ Clients in major corporates and international work.

### **2018 - 2019** THE GOLDEN YEAR

All the Barodian Peoples & Especially Lobelian (Lobel Customer) to make us the Highest Solar Plant Installer & Largest Domestic Project to Step ahead towards clean & green smart city Vadodara.

### **2020 - 2021** BENCHMARK

Achieved more than 10,000+ customers.

## OUR VISION

To provide the world class renewable energy solutions, service, technology and contribute to the sustainability of our planet.

## OUR MISSION

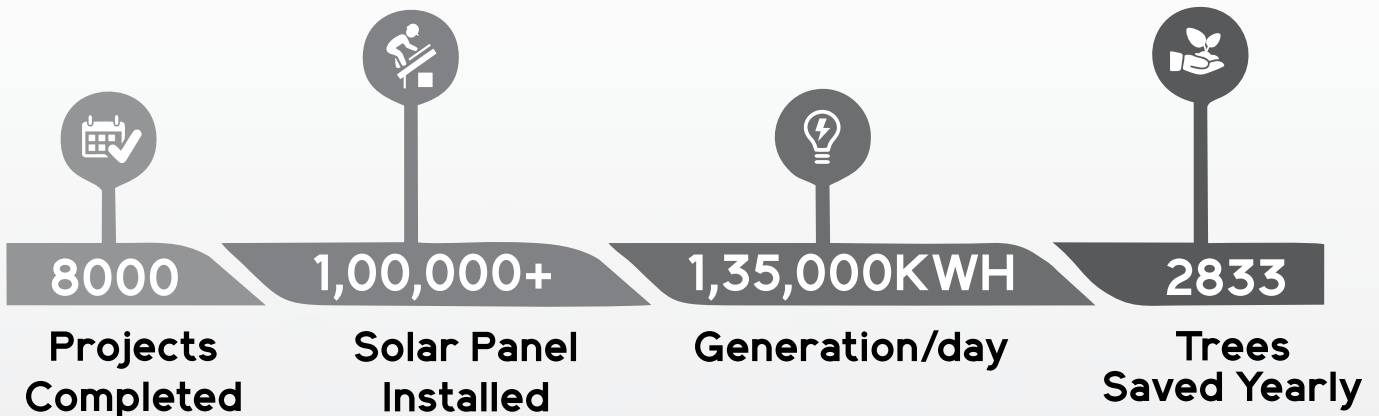

To be the 1<sup>ST</sup> choice in PV & THERMAL product supplier for all clients locally & abroad and to be widely recognized for our high-quality products, services & contribution to a sustainable life.

## OUR FOCUS

is to continuously improve our efficiency, quality and technology. To fulfill this goal and make a bridge between us. We are also collaborating with experts in engineering operations.

## OUR ACHIEVEMENTS

## OUR COMMITMENTS

# OUR PRODUCTS

## PV TECHNOLOGY

- Solar Power Plant Epc Service
- Industrial Captive Solar Power Plant
- Solar MW Projects & Solar Farm
- Solar Led Street Light
- Solar Water Pumping System
- Solar Power Back-up System
- Solar Power Pack  
(Commercial & Industrial)
- Solar Integrated System for Telecom  
& Railway Applications

## THERMAL TECHNOLOGY

- Solar Water Heating System  
(Industrial & Domestic)
- Solar Thermal Power Plant
- Solar Air Conditioning
- Solar Heat Pump
- Solar Dryer

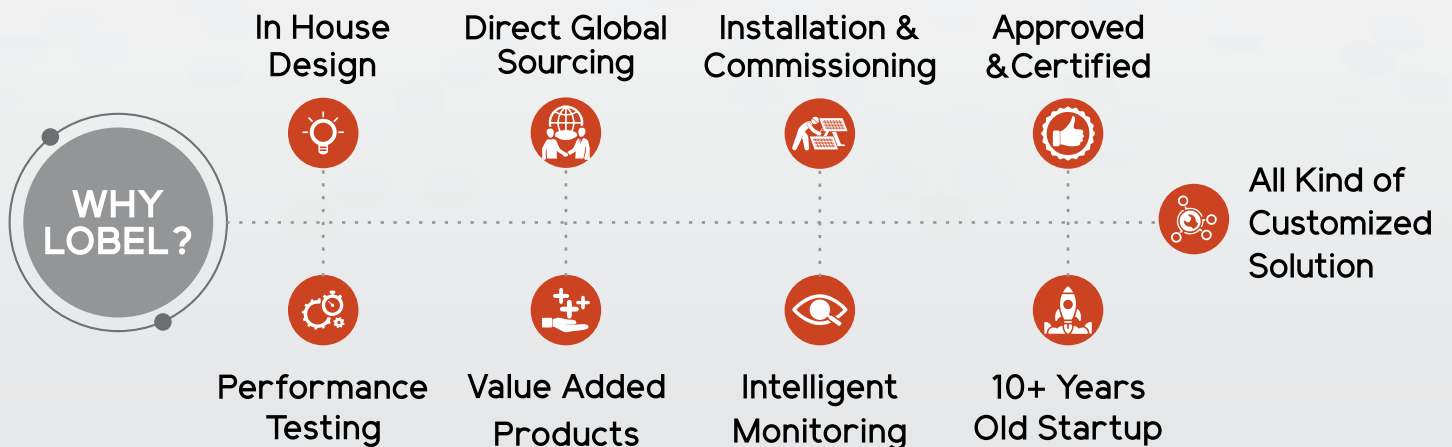

**POWERING** YOUR LIFE WITH  
**CLEAN & AFFORDABLE ENERGY**

# LOBEL EPC SERVICES

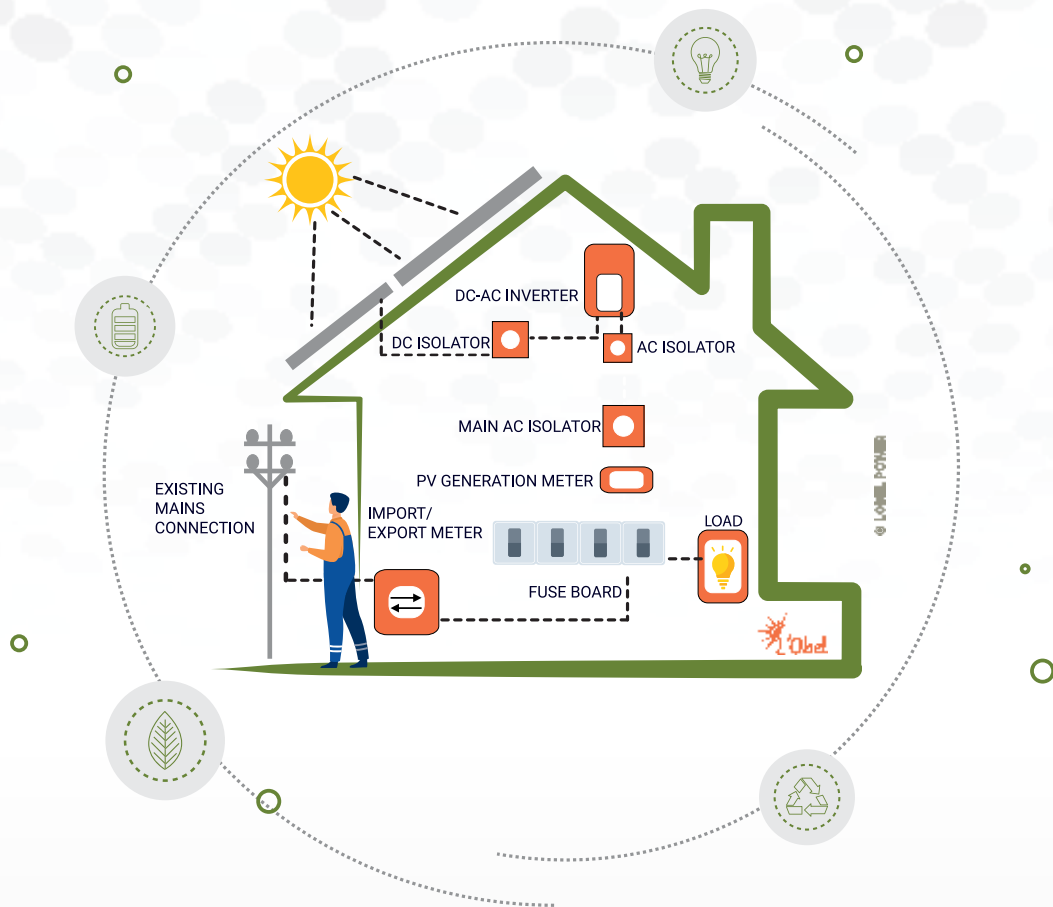

PROMISE FOR  
CONTINUOUS POWER...

# PHOTO GALLERY

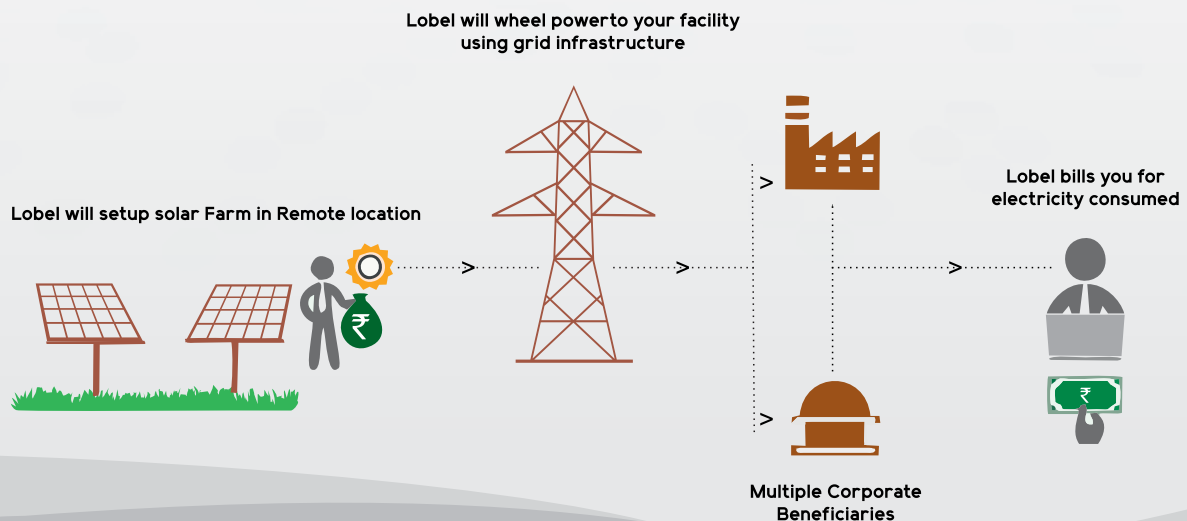

# DOMESTIC INTEGRATION

# FARM & INDUSTRIAL INTEGRATION

Lobel supplies solar power to its corporate customers from its network of solar farms in several states across India. With open access or group captive solar, you can move the majority of your power consumption to renewable energy, and at a discount of anywhere from 20% to 40% against grid tariffs. Several options, including 3rd party PPA's and group captive structures, are available depending on the state in which your facility is located

# MW PROJECT

We provide you the best service by guiding our team in proper planning, execution, and selection of quality products for **Small Scale Distribution Solar Power projects** to secure maximum output with a sustainable and maximum return of investment and long life for our clients. Our team consists of highly qualified Engineers & well trained technical staff

## Consultancy services for Solar EPC Company

- Site analysis and preparation of Detailed Project Report (DPR)
- Aid for best suitable technology selection (Costing and generation wise )
- Preparation of drawings/documents required for government approval
- Aid in Optimization and Procurement of BoS-Material quality check and assurance of good quality-Project management and scheduling
- Monitoring the project site during the installation work and assist team for execution as per decide planning
- Aid in providing insurance of the solar plant
- Preparation of necessary technical document required for loan

## USAGE OF SOLAR

# India's 1<sup>st</sup> ISO Manufacture of Solar Grid Tie 5G Inverter (1-250KW)

With Best Remote Monitoring System

Services

Nationwide logistics Network

24x7 Hotline Service : on call, in mail

Card/Component level repairing

Upto 10 years standard warranty

Software Updates (remotely)

Customized Solutions as per request

## INVERTER FAMILY

WE ARE THE PROUD DISTRIBUTOR OF KSOLARE INVERTERS

## UNMATCHED CUSTOMER SERVICE

- ✓ CRM Based Working
- ✓ Dedicated Customer Support
- ✓ Well Trained Staff
- ✓ SMS update on every Steps
- ✓ Master in Workmen-ship
- ✓ IVR Based Customer Care

# VALUABLE CLIENTS

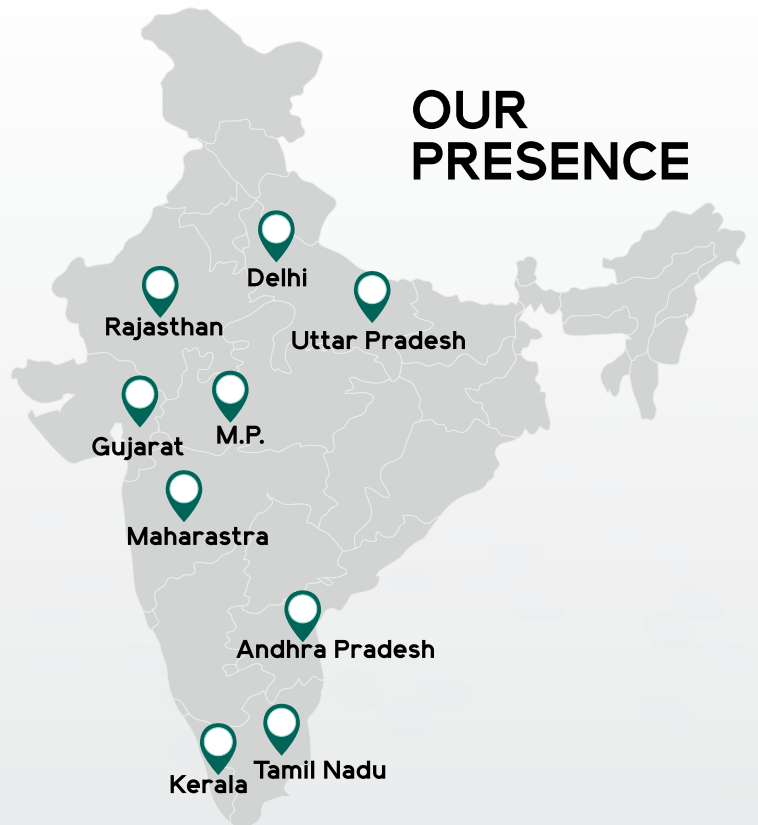

FEEL OUR  
**EXPERIENCE**  
AS INDIA'S LEADING  
**SOLAR**  
**EPC COMPANY**

📍 65 Mihir Park,  
Opp. Mittal Apartment,  
Nr. Tube Company, O P Road,  
Vadodara - 390020,  
Gujarat - india
